Dear COIN User:

COIN Educational Products (“COIN”) announces today that it has entered into a final agreement with EBSCO Publishing (“EBSCO”), in which EBSCO has acquired the following COIN products: COIN Career Guidance System CD, COIN Career Community, and COIN Career Library. EBSCO has been the leading provider of reference and research databases for schools and libraries for over sixty years.

Effective today, the ownership and management of the above career guidance products has been transferred to EBSCO. There will be no interruption of service and end users of the products will not notice any change to the programs. You will continue to access the products through [www.coin3.com](http://www.coin3.com) (to be operated by EBSCO) and any sub-domains (community.coin3.com, library.coin3.com, or cms.coin3.com) to which you are accustomed to using.

EBSCO is now responsible for all matters pertaining to sales, training, implementation, and usage of the COIN Career Guidance System CD, COIN Career Community, and COIN Career Library. A full team of skilled customer service managers and technical support representatives is immediately available to assist you with any needs that you may have.

An account manager from EBSCO will soon be contacting you to introduce himself/herself and to answer any questions. In the interim if you have any problems or concerns, please contact the EBSCO Customer Satisfaction Team at 800.758.5995 or refer to the EBSCO Support Website at <http://support.ebsco.com>

Please note that COIN will retain our K-8 line of materials pertaining to career guidance and educational planning. We will continue to be your sole provider for the following products: CLIMB, CLUE, Career Targets, Career Targets Online, Coin Jr., Individual Career Planning Portfolios, Basic Skills, and Coin Educational Inventory. Our new website is [www.coinedu.com](http://www.coinedu.com). You can continue to contact us via phone at 800.274.8515.
