

<p>Overview</p> 	<p>This consumable workbook is the most widely-used interest assessment and career planning guide available for students in the intermediate grades. Our popular and reliable interest assessment has been supplemented with additional pages of standards-aligned content that allows integration of career concepts into the classroom. All activities meet the goals and objectives of No Child Left Behind and the ASCA model, as well as many federal, state, and local curriculum guidelines.</p> <p>The workbook is divided into the following seven sections:</p> <ul style="list-style-type: none"> What is a career? What are your interests? How are careers organized? What careers relate to your interests? How can you build skills for a career? How can you select school classes to prepare for your career? How do you search for jobs? <p>The following features are also included:</p> <ul style="list-style-type: none"> Self-administered, self-scored interest assessment Vocabulary builder Career cluster exploration activities SCANS Skills checklist High school planner Writing exercises Parent letter
<p>Appropriate Grade Levels</p>	<p>7-8, Special Needs students in grades 9-12</p>
<p>Benefits</p>	<ul style="list-style-type: none"> • Identifies top career clusters through assessment • Introduces students to the world of work through exploration of career-related vocabulary, clusters, work skills, and occupations • Assists students with selecting appropriate courses for high school • Provides activities that incorporate

	<p>a real-world application of work skills</p> <ul style="list-style-type: none"> • Encourages students to include teachers, counselors, and parents in their educational and career planning
